30 Day Health Guarantee

General Health Guarantee: You must have this puppy checked by a licensed veterinarian within 30 days of arriving at your home, for his/her final round of shots and an exam, (at your expense). If your veterinarian feels that the puppy is not in good health as represented, due to a defect or genetic health problem, your veterinarian must write a letter describing and documenting the problem. The seller reserves the right to get a second opinion before any action is taken. If a disorder is encountered, then at the seller's choice, the puppy may be exchanged with a comparable puppy of the same litter, if available, or the full purchase price refunded. At that time, the puppy and all AKC registration papers must be returned to the seller, and ownership must be signed over to the seller. There will be NO reimbursement of veterinarian expenses. You must contact us within 48 hours of your veterinarian visit, if a health problem is encountered. DO NOT return the puppy without notifying us first.

The following conditions must be met in order for the Guarantee to be in effect.

- 1- You must have a licensed Veterinarian perform a health exam on your puppy within 4 weeks, (30 days) of purchase date, and a copy of the exam must be mailed to us, (regardless of the results).
- 2- Your puppy must have his/her shots administered at 12 weeks of age.
- 3- Puppies that have been injured, or abused are NOT covered under this guarantee. Only the conditions described above are covered under this guarantee.
